Benson Valley.

[DELAYED LETTER.]

The people of this community are much engaged in their tobacco at present.

Misses Katie Merchant and Rosa Forbes, of Frankfort, are visiting relatives on Benson this week.

A series of meetings is in progress at North Benson Church, Rev. Mr. Wilson, the pastor, is being assisted by Rev. Mr. Atkins. His sermons are of the highest type.

Mr. Luke Moore and Mr. Cale Merchant were on Benson Sunday.

Miss Fanny Sally, of Lexington, is visiting friends and relatives here this week.

Miss Fanny Hearn is progressing nicely with her school at Choateville. The children have great affection for her.

Misses Mattie Conway and Sarah Sudduth were the guests of Miss Lotta Suttles Monday afternoon.

Mr. Sam Moore and his chum, Mr. Leslie Miles, have been attending meeting at Benson this week.

Mr. Herbert Dickerson escorted Miss Lotta Suttles to meeting Monday night. Lookout Lotta, Herbert has a great desire for morning glories.

Mr. Sanford and family were the guests of Mr. Lee Moore and family last Sunday.

Mr. Tom Webster and family, of High Top, were the guests of her parents, Mr. Lee Moore and wife, last Sunday.

Kate, you should not cast those sheep's eyes at the duke as you did Sunday night. It will cause a disturbance between you and Ernest.

Mr. Ed Moore was all alone Sunday. Ah! Ed, where is Roe Ann.

Mr. Wyatt Phillips' horse and buggy is often seen at Miss Lulu Moore's. We trust that they have made up their minds to be friends again.

Sunday-school is largely attended at Choateville. Everybody seems to be interested.

Some ten years ago I spent a week in old Bellepoint. A week or so since I was there again for a few days, and I found the same old fellow making daily visits to the same old girl. And they do tell me that

there is a new case that is running along in the same groove. The only difference is that the old lad is a brunette and the latter a blonde. Close observers will notice that the old people are becoming a little sprinkled with gray. Long courtships never pan out much.

Died--On Friday, at his home, Mr. John Baker, of Stoney Creek. The remains were laid to rest in the burying ground at Antioch.

What is the matter with the Republicans of Frankfort? It seems to me that they are all dead. Why is it that they do not have an organ to express the sentiments of their side on political matters? They certainly could raise enough cash to get out a little monthly. It would give the country brothers a little more courage to work. When my school is out, I believe I will take up a buzzard quill, and you just watch if you wish to see the fur fly.

LILY OF THE VALLEY.

We have used Chamberlain's Cough Remedy in our home for many years and bear cheerful testimony to its value as a medicine which should be in every family. In coughs and colds we have found it to be efficacious and in croup and whooping cough in children we deem it indispensable.--H. P. Ritter, 4127 Fairfax ave., St. Louis, Mo. For sale by J. W. Gayle.

Pittsburg Central Stock Yards.

Attention of shippers and stock men generally is called to the advertisement of the Pittsburg Central Stock Yards. These yards are superintended by Mr. O. H. Allerton, Jr., and this insures fair treatment and the best of prices for everything sent there.

DeWitt's Witch Hazel Salve has the largest sale of any salve in the world. This fact and its merit has led dishonest people to attempt to counterfeit it. Look out for the man who attempts to deceive you when you call for DeWitt's Witch Hazel Salve, the great pile cure. Tyler & Hemphill.

Extension.

The Prison Commission have determined to erect an addition to the dining room at the Prison. The addition for which Mr. Leo L. Oberwarth, the architect, has drawn the plans, is to cost about \$5,000.

Court of Appeals.

The fall term of the Court of Appeals will commence Monday week, Sept. 19. We have already given the number of cases upon the docket. The number of cases for argument will be exceptionally large.

White City School.

The city schools opened for work on Monday morning with a normal attendance. The schools are not overrun as last year, but the rooms are comfortably full. At the organization it was found impracticable to abolish the room in which one of the supply teachers worked last year. The enrollment is as follows:

High School	89
Grades	712
Total	801
Number non-residents	33
Average number of pupils to the teacher	42
The colored school has an enrollment of 372, making a total of 1,173 in both schools.	

Of Extreme Interest to Piano Buyers.

Lyon, Potter & Co., one of the largest manufacturers and dealers in pianos, decided to retire from business at once so sold their stock, consisting of hundreds of fine pianos, to Lyon & Healy, of Chicago, who are the largest music dealers in the world. Lyon & Healy bought this stock at a FRACTION of THEIR COST, and in order to close them out quickly offer these pianos, in some cases, for about one half of former prices. The new Steinway uprights and baby grands are offered at from \$100 \$300 less than current values. These pianos occupy four full floors. Space will not permit us to describe all this stock. Tested and Tried For 25 Years

Would you feel perfectly safe to put all your money in a new bank? One you have just heard of?

But how about an old bank? One that has done business for over a quarter of a century? One that has always kept its promises? One that never failed; never misled you in any way? You could trust such a bank, couldn't you?

SCOTT'S EMULSION

of COD-LIVER OIL WITH HYPOPHOSPHITES is just like such a bank. It has never disappointed you, never will. It has never deceived you, never will. Look out that someone does not try to make you invest your health in a new tonic, some new medicine you know nothing of.

50c. and \$1.00; all druggists.
